

You're invited to join your neighbors  
for some delicious occu-pie!

**We meet regularly to organize and find ways to keep our neighbors in their homes; great folks who got burnt by greedy banks and predatory bank loans. In Bernal alone, 85+ houses are in the foreclosure process! We say, "homes not tents!" Meet awesome neighbors, get informed about the foreclosure crisis, come to a Foreclosure Fighters Fiesta, assist neighbors whose homes are threatened, watch relevant movies, participate in one of our fabulous work groups, stop auctions, take action & have fun. Our occu-pie is both sweet & spicy – and super satisfying!**

**We meet at Bernal Neighborhood Center**

**Check out our gourmet web site w/ recipes for delicious activities,  
juicy details, times & dates of our meetings.**
